

Spain Fresh Fest #1

The program includes the performance of the Spanish band **Syper** and a DJ set by **Sau Poler** among others.

Spain Fresh Fest is a multidisciplinary program of events to take place at [NYU's King Juan Carlos Center](#) (KJCC) and other TBA venues in New York City.

The program introduces Spanish artists that meet “Fresh Culture” principles:

1. Young and vibrant.
2. They have received awards and have been exhibited (in Spain or Europe).
3. *Glocal* scope (global and local).

This program represents Spain Fresh's introduction to the American public. Its first edition will focus on concepts such as pastiche, remake, remembrance or amnesia.
