

¡Cine Magnífico! Albuquerque's Latino Film Festival

¡Cine Magnífico! celebrates Spanish and Latin American culture, presenting some of the best cinema works in a weekend-long program.

The subject matter of this year's festival runs the gamut from comedies, action flicks and romances to documentary films and dramatic masterpieces. Some of the riskiest and most innovative films of recent years will be included.

¡Cine Magnífico! is organized by Instituto Cervantes, the National Hispanic Cultural Center and UNM Latin American & Iberian Institute so as to be at the forefront of the movement to increase cultural opportunities for the entire New Mexico community and to bring Latinos and non-Latinos together to share common experiences through film.
