

5 Books of Artist

Five international artists come together in a common exhibition where each one has chosen a part of the “Diary of a Newlywed Poet” for his graphical interpretation.

Five international artists –painters, writers, reporters and a book binder– unite in a common project carried out by chance, friendship, the crossing of the sea and their common interests that have resulted in five books of artist.

Each artist has chosen a part of the *Diary of a Newlywed Poet* by Spanish author and Nobel prize winner Juan Ramón Jiménez, for his graphical interpretation, responding to the sentimental evocation of the poet’s heightened text.
