

2018 Spain's Great Match: Wine, Food, Design

Wines from Spain hosts one of Spain's biggest nights in Los Angeles to discover Spanish wines, tapas, and more.

From the lush green and rugged mountains of the north to the castle-flecked Meseta and azure Mediterranean coast, Spain's wine regions offer something for everyone. Wines from Spain hosts the 25th annual *Spain's Great Match*, an annual event organized by the Trade Commission of Spain in which American importers and distributors of wines present the latest vintages of the Spanish wines in their portfolio to wine industry professionals and consumers.

For wine novices and connoisseurs alike, this is a unique opportunity to discover Spain's wine, food, and design. Attendees will have the chance to explore the regions and grapes of Spain while tasting over 200 world-class Spanish wines and a mix of traditional and contemporary Spanish tapas created by Spanish restaurant *The Bazaar*, by José Andrés.
