

2018 Miami International Film Festival

The Miami International Film Festival is considered the preeminent film festival for showcasing Ibero-American cinema in the U.S.

Since its first edition, which opened on February 3, 1984, the mission of Miami Film Festival has been to bridge cultural understanding and encourage artistic development by provoking thought through film. By bringing the best of world cinema to Miami, the Festival presents the city and the film industry with a singular platform that fosters creative and technical talent.
