

La edad ganada by Mar Gómez Glez

CCEMiami invites you the book presentation *La Edad Ganada* by Spanish playwright and novelist Mar Gómez Glez.

La edad ganada (2015) is [Mar Gómez Glez](#)'s latest book. Mercedes Suero selected it as one of the five indispensable books to close Madrid's 2015 Book Fair. Critic Vicente Luis Mora defines it as such:

(...) brave and singular, created through a constructive and valuable device: it does not elaborate, or re elaborate, a whole life, the author stops in different vital moments (...), she chooses different milestones –identified by the age of the protagonist- and she tells a concrete anecdote from that period, leaving out the rest. (...) It questions the auto fictional model, looking for a new way to tell. The book is closer to the novel tradition than to the auto fiction. The beginning remind us to the beginning of *A Portrait of the Artist as a Young Man*, what is cute something; as Joyce's book, (...), it is going after the literary construction of an identity. (...) *La edad ganada* is an elegant quest to find out how to rebuild the experience through narrative. This makes the book in a serious and profound exercise, and (self) aware, with excellent moments.
