

Spain at the Miami Book Fair International

The nation's finest and largest literary gathering will celebrate its 31st edition with several authors from Spain.

The Miami Book Fair, one of Miami's flagship cultural events, will treat book lovers to eight days of cultural and educational activities, including the beloved *Evenings With...* series, the IberoAmerican Authors program, literacy and learning activities for children and teens during *Generation Genius Days*, and *The Kitchen*, demos and panels for food enthusiasts in partnership with the college's Miami Culinary Institute.

Fairgoers will also enjoy more than 200 exhibitors from around the country selling books in a festive atmosphere and hundreds of authors reading and discussing new books during the weekend Street Fair.
