

Aire: Visual Concert for Nomads

A cinematic, musical and poetic proposal that travels through cities, memories and time, exploring the nomadic nature of our lives.

AIRE: VISUAL CONCERT FOR NOMADS

- Javier Moreno (Musical Direction, Composition, Double Bass)
- Laia Cabrera (Film Direction, Video Design, Videoart)
- Isabelle Duverger (Projection Mapping, Animation)
- Ernesto Llorens (Violin)
- Michael Attias (Alto Saxophone)
- George Dulin (Keys)
- Jeff Davis (Drums)

Aire: Visual Concert for Nomads travels through time and space, for those seeking permanently, never having the feeling of forever. Exploring the nomadic nature of our lives in a geographical and emotional level, the piece is designed as a site-specific visual concert, conceived from an original musical suite and developed as a collaboration into an allegory of images and immersive video-mapped projection design on an architectural space.
