

An Invisible Piece of This World

Award-winning Spanish actor and playwright Juan Diego Botto's latest work is a revealing look at the hot-button issue of (im)migration.

AENY – Spanish Artists in New York, in coproduction with IATI Theater, presents *Un Trozo Invisible de Este Mundo* (*An Invisible Piece of this World*) by acclaimed Spanish playwright and actor Juan Diego Botto.

The original staging of this show received four MAX Theater Awards in Spain (the equivalent to the TONY Awards in the United States), including Best Author and Best Play, and was praised by audiences and critics alike for three consecutive years.

Award-winning Spanish actor and playwright Juan Diego Botto's latest work is a revealing look at the hot-button issue of (im)migration from the perspectives of those who have experienced the loneliness, loss, and ultimate resolve. By bringing the lived stories of these individuals to the forefront, *Un Trozo Invisible De Este Mundo* humanizes the headline-making numbers and statistics.

Along with the presentation of *Un Trozo Invisible De Este Mundo*, AENY will present the 4th edition of the *Staged Reading Series*, a selection of plays representing the most innovative and respected voices working in contemporary Spanish theater.
