The Spanish trio of defiant freaks will be playing in New York this March.

Arizona Baby is a trio of Acoustic rock that have stirred up the Spanish pop with an irresistible adventure of deep roots, desert epics and spartan austerity called *Second to None* (Subterfuge, 2010). Histories that exhort closed codes of honor. And an impressive image. Just like their american counterparts, Fleet Foxes, and Devendra Banhart.

Arizona Baby has earned three national awards, *Disclosure Group* in 2010 and the *Year of the Myspace Group*. They have shared the stage with international bands the likes of Mark Knopfler, Clem Snide and Chris Isaak. Their latest album, *The Truth, the Whole Truth and Nothing but the Truth*, affects the psychedelic-folk and the more lyrical side of the group.
