

# Brooklyn Meets Spain

As part of Brooklyn Film Fest, this series explores the animation industry in Spain through a series of short and feature films produced over the past years.

Brooklyn Film Fest is proud to partner with [Mecal, International Short Film and Animation Festival of Barcelona](#), on two programs: a feature-length documentary and a collection of animated shorts.

This series explores the animation industry in Spain through a series of short and feature films produced over the past years. Generating almost 350 million euros in revenue in 2012 and presence in over 150 countries, the Spanish animation industry is living its golden age.
