ABOUT LOPE DE VEGA

Lope de Vega was a Spanish playwright, poet, novelist and marine. He was one of the key figures in the Spanish Golden Century of Baroque literature. His reputation in the world of Spanish literature is second only to that of Cervantes, while the sheer volume of his literary output is unequalled, making him one of the most prolific authors in the history of literature. He's author of as many as 1,800 plays and several hundred shorter dramatic pieces, of which 431 plays and 50 shorter pieces are extant.
