

LAMC Showcase: Sounds from Spain 2018

The Latin Alternative Music Conference presents Delaporte, Vega, Fyahbwoy, Natos and Waor & Moncho Chavea within the “Sounds from Spain” showcase.

Sounds from Spain is returning to the LAMC featuring some of the country’s brightest musical acts. This year’s lineup includes Fyahbwoy, Natos y Waor, Vega, Delaporte, and Moncho Chavea who will be performing at the Highline Ballroom.

Sounds from Spain made its LAMC debut two years ago to rave reviews from such outlets as *Billboard*, *Paste*, *KCRW*, *EFE*, and *Fox News Latino*. This year’s showcase once again highlights Spain’s strong music scene with a lineup featuring some of the country’s up-and-coming, as well as more established, talent in a variety of genres.

In addition to the showcase, *Sounds from Spain* will once again be at the LAMC conference site at the Stewart Hotel to interact with LAMC conference attendees. The Latin Alternative Music Conference (LAMC) takes place from July 10th-14th, boasting dynamic panels, powerhouse showcases, and wide range of events dedicated to entertainment.
