

'Minimón'

This whimsical performance explores the inner elements of a child's ordinary life.

A seemingly plain room becomes a playpen of surprises when a solo dancer discovers silly stories everywhere —on the doors of a wardrobe, upon the covers of a bed and even in the opening of a drawer. Set to a sunny soundtrack, *Minimón* (which translates to “small world”) uses lyrical movement, clever projections and a little magic to make dreamers of us all. Families are in for a treat when, after the show, young theatergoers are invited to explore this wondrous, small world.

Minimón takes place at the New 42nd Street Studios, and is recommended for everyone ages 1 to 4.
