

RAÍZ

This year's edition of #FlamecoRiot seeks to create a ceremony of immersion in the rites of Flamenco with RAÍZ.

RAÍZ

- Meira Goldberg, dance.
- José Moreno, music.
- Rafael Abolafia, direction.

RAÍZ seeks to create a ceremony of immersion in the rites of Flamenco. The performance emerges from the poetic and transgressive realism of *arte povera*: a return to simple objects and messages, a stage where traces of nature and the industrial come alive. The Crone embodies the strength of instability. She enacts rejection and rebellion, memory and faith, feasting and solitude. Her pilgrimage maps a homeland containing many forces in tension. This contemporary *quejío*, opens spaces and sensations where wings may find ground and roots take flight.
