

# Sounds from Spain in New York

Latin Alternative Music Conference brings to NYC some of Spain's brightest musical acts: Amaral, C. Tangana, Los Nastys, Nora Norman and Nunatak.

LAMC returns this summer boasting dynamic panels, powerhouse showcases, and wide range of events dedicated to entertainment. Celebrating its 18th year, it is one of the most influential Latin music conferences in the world. It is devoted to bilingual and bicultural cutting edge music. The four-day event draws a tastemaker crowd of leading artists, thinkers, journalists, industry insiders and fans.

*Sounds from Spain* made its LAMC debut last year to rave reviews from outlets like Billboard, Paste, KCRW, EFE, and Fox News Latino among many others. This year's showcase promises to once again highlight Spain's fertile music scene with a lineup featuring some of the country's up-and-coming, as well as more established, talent in a variety of genres.

In addition to the showcase, *Sounds from Spain* will once again be at the LAMC conference site at the Stewart Hotel to interact with LAMC conference attendees. Stop by and say "hola!" to them!
