

Susana Raya live in New York

A classically trained guitarist with numerous European awards, Susana Raya combines her singer-songwriter spirit with a touch of jazz, enhanced by her Spanish roots.

Considered by Jazz critic and historian Ted Gioia –who has listed her album among the 40 best of 2016– as “the Andalusian Eva Cassidy,” Raya is not to be missed. “She has developed a style where voice and guitar seem to breathe at the same time,” Gioia says.

Her collaboration with legendary Jazz bassist Steve Swallow opened the door to the recording of her new album, *Wind Rose*, recorded live at Clubhouse Studios, Rhinebeck, NY. The album includes songs created over the last five years, and a line-up of all-star players such as Clifford Carter, Ira Coleman, Leo Amuedo, and Cyro Baptista.
