

True Smile at 8th Annual ReelAbilities: NY Disabilities Film Festival

ReelAbilities is the largest disabilities film festival in the country, presenting films on the topic of physical, developmental, and psychological disabilities.

Initiated in 2007 by JCC Manhattan, [ReelAbilities: NY Disabilities Film Festival](#) is the largest festival in the country dedicated to promoting awareness and appreciation of the lives, stories and artistic expressions of people with different abilities. The 7-day festival is renowned for its wide-ranging international film selection, riveting conversations, and performing arts, presented annually at over 35 venues across the NYC metropolitan area.

In 2014, in collaboration with the Cincinnati-based Living Arrangements for the Developmentally Disabled (LADD, Inc.), ReelAbilities NY expanded into a national program, presenting its excellent program in dozens of cities throughout the United States.

An astonishing journey as seen through the eyes of 26-year-old Sergio Aznárez Rosado, who was born both blind and autistic yet lives a life packed with adventure. Over the course of 30 days, Sergio embarks on a 1,300-kilometer tandem bike ride with his brother, Juan Manuel, who pilots the bicycle. Together, they traverse desert and high mountains, starting in Cuenca in central Spain and
