Flamenco Arts Festival presents “Flamenco on Film,” a online cinematic look into the world of flamenco featuring some of today’s best-known flamenco figures.

The Flamenco Arts Festival returns with its first virtual festival, *Flamenco on Film*, showcasing 3 countries, 8 films, and 16+ world-renowned artists performing in beautiful spaces in and around Sevilla, Mexico, Santa Barbara. The event will include personal words from the artists, special appearances and introductions, a performance from over 30 dancers from Santa Barbara.
