ABOUT KIDS EURO FESTIVAL

Now in its 13th year, *Kids Euro Festival* is one of the largest performing arts festivals for children in America, bringing some of Europe's most talented children's entertainers to the nation's capital. With programs both for the general public and for school groups, more than 10,000 Washington D.C.-area children and their families enjoy *Kids Euro Festival* programs each year.

Due to COVID-19, no in-person events will be held this fall in order to maintain the safety of the performers and audiences. Instead the Festival offers families all over the world access to an extended virtual festival with a full 6 weeks of online programming. As always, all programs are completely free. Tune in for performances, concerts, workshops, movies, storytelling, puppetry, dance, and more.
