

Rosalía at Coachella 2019

Rising Flamenco singer and pop star Rosalía performs at Coachella 2019.

Last year, Spanish artist [Rosalía](#) achieved great success with her voice and unique sound and style. Her single *Malamente* became a major step in her career and paved the way for numerous awards. A few days following the release of her sophomore album *El Mal Querer*, *Malamente* became a sales phenomenon.

She has recently worked with two giants from North and South America: Pharrell Williams (content not released yet) and J. Balvin (whose song *Brillo*, written and performed with Rosalía, is among the best-selling songs). Now Rosalía joins other well-renowned artists to perform at *Coachella*, one of the biggest festivals in the world.
