

From Ibiza to San Francisco

Roll Up Gallery is proud to announce *From Ibiza to San Francisco*, a duo exhibition by Spanish artists Aida Miró and Simona Marziani.

The two artists share the same passion for figurative art. This exhibition is a representation of free spirits, portraits of the human figure, animal worlds and moving bodies expressing emotions.

Aída Miró presents a series of oil paintings of human bodies dancing with the contrast between light and shadow.

Simona Marziani presents a series of works with decorative elements using collage and oil paint, creating a world where the material loses its consistency.

Opening on Friday July 1st, 2016, from 6 pm to 9 pm.
