

# 'Festival de la palabra 2013'

This literature festival brings Puerto Rican and international writers and readers together to celebrate the power of words and their ability to transform culture.

*The Festival of the Word (Festival de la palabra)* brings readers and writers together in a series of readings, lectures, and workshops to promote the exchange of literature and ideas. In Puerto Rico's *Festival de la Palabra 2013*, writers will read and discuss their works as they pertain to this year's theme: the relationship between journalism and literature, and between fiction and reality.

Seven Spanish writers will participate in Festival de la Palabra 2013: Jacinto Antón, José Manuel Fajardo, Cristina Fernández Cubas, Eduardo Garrigues, Ricardo Menéndez Salmón, Clara Usón and Eugenia Rico.
