

# Tomatito at Heineken Jazz Festival

Multiple Latin Grammy winner Tomatito is considered the finest guitarist of his generation.

José Fernández Torres, known as Tomatito, is best known as the guitarist who accompanied Camarón de la Isla for the last eighteen years of the great singer's life, collaborating with him on the seminal album *La Leyenda del Tiempo* (*The Legend of Time*), and many other essential flamenco recordings.

Tomatito teams up with a group of young musicians carefully selected for their affinity with the gypsy spirit, and brought together to share the intangible magic of flamenco's captivating rhythm and emotive power.

Winner of several Grammy awards (2000, 2001, 2005 and 2010) since signing to Universal, Tomatito's major successes have made him the mature, elegant guitarist that now brings us *Soy Flamenco*.

*Soy flamenco* defines the ultimate flamenco fan who pours his heart and soul into promoting flamenco day after day, hence the name of the debut single and album, *Soy Flamenco*.
