THINGS I NEVER TOLD YOU (COSAS QUE NUNCA TE DIJE)

- Ann and Don are among the alienated townsfolk of a small village in Oregon. Ann's world comes apart when her partner, a foreign correspondent, calls from Europe to break up with her over the telephone.

Ann starts obsessing about her boyfriend's deserting her and finds that confessing to him her deepest thoughts and feelings through videotapes is a good way of putting herself back together. Don, in turn, would rather be a listener of strangers' problems through a 'Help Line'. Chance makes their paths cross twice in a short period of time, which leads to an intimate encounter between them. However, the different personal crises they are undergoing mean that their meeting has a very different effect on each one's life.

- Spain-USA, 1996, 93 minutes, drama. Directed and written by: Isabel Coixet. Cast: Alexis Arquette, Leslie Mann, Andrew McCarthy, Lili Taylor. Producer: Luis Miñarro, Cinematographer: Teresa Medina, Art Director: Marc Rosenblatt. Editor: Kathryn Himoff.
