

Cine-Club: La Piel que Habito (The Skin I Live In)

Golden Globe Award Nominee for Best Foreign Language Film, *The Skin I Live In* is considered an Almodóvar masterpiece.

Ever since his wife was burned in a car crash, Dr. Robert Ledgard, an eminent plastic surgeon, has been interested in creating a new skin with which he could have saved her. After twelve years, he manages to cultivate a skin that is a real shield against every assault. In addition to years of study and experimentation, Robert needed a further three things: no scruples, an accomplice and a human guinea pig. Scruples were never a problem. Marilia, the woman who looked after him from the day he was born, is his most faithful accomplice. And as for the human guinea pig...
