SPAIN arts & culture's Cine-Club special screening presents Roger Gual's film 'Menú degustación' in the framework of the 'TAPAS' exhibition.

It's been a year since Marc and Rachel booked a table at the best restaurant in the world, situated in an idyllic cove in the Costa Brava. When it turns out that the booking is on the same date as the last night before the restaurant closes forever, their booking becomes even more important. The thing is just that Marc and Rachel are no longer together. They have been separated for a year and not seen each other during that time. Not willing to miss this unique culinary event, however, they both decide to meet at the restaurant – and it becomes a night of nothing you would have expected.
