Spanish Young Music Talents (SYMT) is the new program of the Cultural Office of the Embassy of Spain in Washington, D.C. *SYMT* has been envisioned to enhance and support Spanish young musicians’ careers, in collaboration with U.S. music schools and universities at a higher level (bachelor and graduate students orchestras), offering them an experience abroad.

SYMT aims to offer young musicians not only a concert or recital in the U.S., but a complete experience with complementary activities such as masterclasses, talks, conferences, etc. to broaden their opportunities and contacts.
