

'Última Partida' ('The Final Draw')

A Play with live improvised Jazz piano directed by Monica Lopez-Gonzalez.

Última Partida is a riveting original narrative between a woman and a man who have their final conversation in a cabaret as they tease apart their emotionally-charged stories of love, desire, solitude, and death.

The cabaret's piano music is improvised live every night. [La Petite Noiseuse](#) invites the audience to a 70-minute theatrical experience presented in six breathtaking scenes without intermission.
